Mr. Kirkor Minassian,

New York, N.Y.

My dear Mr. Minassian:

Some time ago Mr. Newell handed us a large package of coins that you had picked up in the East. We have been waiting for Mrs. Brett, our expert in ancient coins, to go through these, and she has picked out about 70 that she did not have represented at all and found a number of improvements over pieces already in our collection.

We wish to thank you for your kindness and generosity in presenting these coins to us.

Very truly yours,

Curator
